LINEAR MICRO

INDOOR RATED

LINEAR MICRO
SHOWN WITH REMOVABLE ACRYLIC LENS

DESCRIPTION

Affineon's Linear Micro light is an extremely efficient high quality light source in a very compact package utilizing high efficiency, long life LED technology. Designed for under cabinets, security safes, gun safes, storage cabinets and other compact applications. With the removable acrylic lens in place it produces a 50 degree beam angle; with it removed it produces a wide, 120 degree beam angle. The Linear Micro LED's are the highest quality available. Rated for 70% lumen maintenance over 50,000 hours. Requires a class listed power supply delivering between 12 and 24VDC.

SPECIFICATIONS

MATERIALS:	Acrylic Lens / Aluminum PCB	BEAM ANGLES:	50° w/ lens (removable) / 120° w/o lens
LAMP LIFE:	70% lumen maintenance at 50,000 hours, 25C	DIMMING:	N/A
IP RATING:	Indoor Rated	DIMENSIONS:	12" length
POWER:	1.5W per ft.	FINISH:	N/A
VOLTAGE:	12-24VDC (Power supply not included)	WEIGHT:	1 oz.
COLOR TEMP:	Warm White 3000K / Neutral White 4000K / Cool White 5000K	WARRANTY:	5 Year Limited Parts
